TK Sports Camp, LLC values health and safety to the fullest extent. In order to ensure the fitness and well-being of all children, every camper is expected to follow the rules and guidelines implemented by the camp. If at any time a director or instructor feels a child has endangered him/herself or other children in the camp, he/she will be dismissed immediately without any refund, including the days attended. This also applies to children whose behavior is inappropriate to the point that it disrupts the success of other children.

Only non-perishable food items should be brought for lunch and snack daily. No refrigeration will be available or provided. Snacks will not be provided.

Camp ends promptly at 3:30 daily. In order to avoid a \$1.00 a minute late charge, (due at the time of pick-up) please be on time. Our directors value their time preparing for a successful camp, which begins as soon as all children have safely left for the day.
